Filed: September 29, 2000

Docket: 678-529

For: SYSTEM AND METHOD FOR COMPENSATING
TIMING ERROR USING PILOT SYMBOL IN
OFDM/CDMA COMMUNICATION SYSTEM

Dated: February 14, 2006

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE NOTICE OF ALLOWANCE**

Dear Sir:

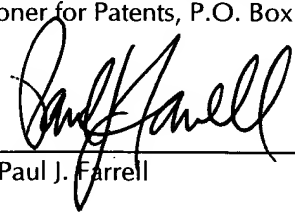

Applicant respectfully requests that the above-identified application be revived as a pending application, and hereby petitions that the abandonment set forth in the Notice of Abandonment mailed on January 24, 2006 be withdrawn.

A Notice of Allowance was apparently issued on September 16, 2005 in connection with the above-identified application. Applicant never received the Notice of Allowance. Consequently, the Issue Fee was not paid by the due date of December 16, 2005.

CERTIFICATE OF MAILING UNDER 37 C.F.R. §1.8(a)

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail, postpaid in an envelope addressed to the: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on February 14, 2006.

Dated: February 14, 2006

Paul J. Farrell

The undersigned confirms that a Notice of Allowance was not received. A search of the file jacket and the docket records indicates that a Notice of Allowance was not received. Enclosed is a copy of the docket record for this particular case. As you can see, no Notice of Allowance/Issue Fee Due was entered into this docket record. Also enclosed are copies of docket records for fifteen (15) other pending patent applications owned by the same assignee. A Notice of Allowance was mailed in September 2005 for each of these cases. Consequently, an Issue Fee was due in December 2005 for each of these cases. All of these docket records indicate that a Notice of Allowance was received, and the Issue Fee was docketed by Applicants' representative.

Since Applicant did not receive the Notice of Allowance, it is believed that the Notice of Abandonment was improperly issued and should be withdrawn. It is respectfully requested that the application be revived as a pending application.

It is Applicant's belief that no fee is required since the Notice of Abandonment was improperly issued through no fault of Applicant.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Paul J. Farrell", is written over the typed name.
